MEMORANDUM FOR: All IAD's

SUBJECT: Inventory of Planning Tasks to be Accomplished
to Prepare the DD/I Area for a War Situation

1. The attached Subject report is published for the guidance of all offices.

2. It is requested that each office report the status of its Planning Activities under the various headings on or about 1 June 1959. This Inventory of Planning Tasks may be revised from time to time on the basis of experience encountered in carrying out War Planning. It is also contemplated that the offices will report further progress on these Planning Tasks periodically after the initial report, but the timing of these periodical reports will be announced later.
